

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MISSOURI
EASTERN DIVISION

IN RE GENETICALLY MODIFIED) 4:06 MD 1811 CDP
RICE LITIGATION)

ORDER

Defendants have requested oral argument on certain issues raised in the parties' motions for summary judgment. I believe that a short argument on two of the issues listed by defendants will be helpful. I will hear argument on defendants' motion on landlord damages and on plaintiffs' motion regarding the agency status of LSU and Dr. Linscombe during the telephone conference scheduled for May 27, 2010. Arguments will be limited to fifteen minutes per side.

IT IS HEREBY ORDERED that defendants' motion for oral argument on pre-trial motions [#2910] is granted to the extent that the Court will hear oral argument on the issues listed above at the telephone conference already set for **May 27, 2010 at 12:30 p.m.** The arguments will follow the normal status conference.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE
