

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF MISSOURI  
EASTERN DIVISION

IN RE GENETICALLY MODIFIED	§	4:06 MD 1811 CDP
RICE LITIGATION	§	
	§	JIM PENN, et al. v.
	§	BAYER CROPSCIENCE,
	§	LP, ET AL.

DEFENDANT STARLINK LOGISTICS INC.'S  
MOTION TO STAY EXECUTION OF JUDGMENT

Defendant StarLink Logistics Inc. ("SLLI"), formerly known as Aventis CropScience USA Holding Inc., submits this Motion to Stay Execution of Judgment on the following grounds:

1.

As set forth in the Motion to Stay Execution on Judgment filed this day by the Bayer defendants [2931], on February 4, 2010, the jury entered a verdict against all defendants. This Court entered judgment consistent with that verdict on February 11, 2010.

2.

On March 10, SLLI filed a Motion for Judgment or New Trial pursuant to Rule 50 and 59. [#2640]

3.

SLLI moves that the court stay execution on the judgment pending the Court's ruling on the Rule 50 and 59 motions filed in this matter and that the stay be entered without the requirement of a supersedeas bond or, in the alternative and if deemed necessary by the Court, with a supersedeas bond.

4.

SLLI has been held liable in this action solely in its capacity as the former general partner of Aventis CropScience (now known as defendant Bayer CropScience LP). As

such, if the execution of the judgment is stayed in favor of the Bayer defendants, it should also be stayed in favor of SLLI.

WHEREFORE, SLLI moves that the court stay execution on the judgment

Respectfully submitted,

/s/Pamela R. Mascari
